Currently accepting applications for:
GIS Analyst I
Department of Land and Resource Management
An Equal Opportunity Employer

GIS Analyst I or II – Department of Land and Resource Management

\$48,756 annually, GIS Analyst I (\$23.44 hourly) (Grade C11)

\$53,748 annually, GIS Analyst II (\$25.84 hourly) (Grade C12)

40 hours per week, non-exempt position; Hours are typically Monday through Friday from 8:00 am – 5:00 pm

Apply by 5:00 pm on Friday, May 27, 2022

The Department of Land and Resource Management is seeking a qualified candidate to provide GIS support for the department. Responsibilities include mapping, data collection, and database management to support the goals of the Department which include parcel maintenance, zoning, development activities, agriculture, and natural resources. As a member of the Land and Resource Management GIS Division, you will be a part of a team that provides support to a department of over 40 staff with varied GIS needs. Duties may include coordinating projects within the department as well as providing support to other agencies, creating maps for reports, analyzing geographic data, interpreting plats and development plans, and developing and designing digital mapping applications.

The ideal candidate for this opportunity will be passionate about GIS, eager to learn, service-oriented, communicate technical information effectively, and be able to handle multiple assignments.
